**TRUSTEE'S RECOMMENDATION CONCERNING CLAIMS  
(WITH NOTICE OF BAR DATE FOR ADDITIONAL OBJECTIONS TO CLAIMS)**

**Notice Regarding Trustee's Recommendation Concerning Claims:**

THIS DOCUMENT SHALL CONSTITUTE AN **OBJECTION TO YOUR CLAIM** UNLESS THE RECOMMENDATION IN THIS DOCUMENT CONCERNING YOUR CLAIM ACCEPTS YOUR PROOF OF CLAIM PRECISELY AS FILED .

NO HEARING WILL BE CONDUCTED ON THE TRUSTEE'S RECOMMENDATION CONCERNING CLAIMS UNLESS A WRITTEN OBJECTION IS FILED WITH THE CLERK OF THE UNITED STATES BANKRUPTCY COURT AND SERVED UPON THE TRUSTEE WITHIN **TWENTY-EIGHT (28) DAYS** FROM DATE OF SERVICE, UNLESS THE COURT SHORTENS OR EXTENDS THE TIME FOR FILING SUCH RESPONSE OR OBJECTION.

IF NO OBJECTION IS TIMELY SERVED AND FILED TO THIS DOCUMENT, THE TRUSTEE'S RECOMMENDATION CONCERNING YOUR CLAIM SHALL BE SUSTAINED AS UNOPPOSED AND YOUR CLAIM SHALL BE ALLOWED ONLY AS SET FORTH IN THIS DOCUMENT. IF AN OBJECTION IS FILED AND SERVED IN A TIMELY MANNER, THE COURT WILL THEREAFTER SET A HEARING. IF YOU FAIL TO APPEAR AT THE HEARING, YOUR OBJECTION MAY BE STRICKEN. THE COURT RESERVES THE RIGHT TO SET A HEARING ON ANY MATTER.

**Notice of Deadline for Filing Objections to Claim:**

YOU ARE FURTHER NOTIFIED that the **deadline for filing an objection** to the allowance of any proof of claim filed in this case, or to avoid or otherwise challenge the validity of any security interest claimed in any proof of claim in this case, is the **twenty-first (21st) day** following the date of service of this document.

TO THE HONORABLE JUDGE OF SAID COURT:

COMES NOW, John J. Talton, Trustee in these proceedings, and making this his recommendation concerning claims, would respectfully show the Court as follows:

**1. Purpose of the Trustee's Recommendation Concerning Claims:** The time for filing claims in this proceeding has expired. The Trustee has reviewed all of the claims filed in this proceeding and compared such to the terms of the confirmed Plan. The purposes of the Trustee's Recommendation Concerning Claims (the "TRCC" herein) are as follows:

- a. to reconcile the terms of the confirmed Chapter 13 Plan with the claims as actually filed by the Creditors, including, if applicable, the Trustee's objections to claims pursuant to the provisions of Paragraph 5 herein;
- b. to set forth herein his recommendations on his disbursements of plan payments to the creditors and their claims as a result of this reconciliation;
- c. to give notice to the parties of interest the result of this reconciliation and the Trustee's recommended disbursements of plan payments to the creditors and their claims as a result of this reconciliation; and
- d. to give the parties of interest an opportunity to object to these recommendations and proposed disbursements.

The TRCC does not serve as a modification of the terms of the confirmed Chapter 13 Plan. Creditors' objections concerning their treatment under the terms of a proposed Chapter 13 Plan should be timely asserted as an objection to confirmation of the Plan, not as an objection to the TRCC that accurately reflects the terms of the confirmed Chapter 13 Plan.

Ultimately, a Court Order will be entered approving the Trustee's recommendations as set forth herein [as possibly modified as a result of objection(s), if any, filed herein] and the Trustee shall commence disbursing to the creditors in accordance to such

**2. Objections to the Trustee's Recommendation Concerning Claims:** If a party in interest disagrees with the Trustee's recommendations as set forth in the attached Schedules, the party in interest may file with the Court an objection to the TRCC **within twenty-eight (28) days from the date of service hereof**. In the absence of a timely objection to the TRCC, the Court shall enter a Court Order sustaining the recommendations as set forth herein **AND SUCH TREATMENT WILL BE FINAL AND BINDING ON ALL PARTIES WITHOUT FURTHER ORDER OF THE COURT**.

**3. Valuation of Collateral subject to Cram Down:** Pursuant to an additional provision added to the Chapter 13 Plan and/or Confirmation Order, replacement value of the collateral of the claims as set forth in Paragraph 6(A)(ii)(b) of the Chapter 13 Plan was not set at confirmation and is not binding upon the Creditor(s) unless the Creditor(s) have agreed to the value as set forth in the Chapter 13 Plan and/or Confirmation Order or the Court has entered a Court order setting such value. The Trustee shall pay these claims as set forth in Schedule IV.

**4. Objections to Claims by Parties in Interest:** The deadline for filing an Objection to the allowance of any proof of claim filed in this case or to avoid or otherwise challenge the validity of any security interest claim in any proof of claim in this case is the **twenty-first (21st) day** following the date of service of this TRCC. Any such Court Order entered subsequent to the filing of this TRCC, to the extent applicable, shall constitute an amendment of these Recommendations.

**5. Objections to Claims by Trustee:** Through this TRCC, if applicable, the Trustee objects to certain claims as set forth in the attached Schedule X for the limited reasons as stated therein. **Otherwise, the Trustee is not objecting to the claims.** In addition, the Trustee seeks the entry of an order prohibiting payment by the Trustee of any claim(s) filed subsequent to the filing of this TRCC without an express order of the Court allowing such a late-filed claim.

**6. Amended Claims:** Any amended proof(s) of claim filed herein pertaining to an allowed claim provided for in the confirmed Chapter 13 Plan, to the extent applicable and as interpreted by the Trustee, shall constitute an amendment of these Recommendations. For the purpose of this paragraph, post-petition claims filed pursuant to the provisions of 11 U.S.C. 1305 do not constitute an amended claim nor constitute an amendment of these Recommendations unless the terms of the confirmed Chapter 13 Plan contemplated the payment of such post-petition claims. In order for the Trustee to pay such 1305 claims, the terms of the confirmed Chapter 13 Plan must be modified pursuant to the provisions of 11 U.S.C. 1329.

**7. Scheduled Claims to which No Claim was Filed:** If a Claimant was listed either in the Debtor(s)' bankruptcy schedules or in the confirmed plan and that Claimant is not otherwise listed in the attached Schedules of this TRCC, that particular Claimant has not filed a proof of claim in this bankruptcy. **The Trustee shall make no distributions or payments to such a Claimant.**

**8. Distribution to Creditors Pursuant to the Trustee's Recommendation Concerning Claims:** The Trustee's payment of all claims *as set forth herein* is subject to the availability of funds. Claims to which a specified monthly payment is designated shall be paid in advance of those to which a monthly payment is not so specified. Claims to which a monthly payment is not specified shall be paid concurrently with all other claims with the same classification on a pro rata basis to the extent funds are available on a monthly basis with other similarly situated claims after payment of claims with specified monthly payments. To the extent claims are paid through the plan and the Trustee acts as the disbursing agent, if an interest rate is specified, said claim shall be paid interest as calculated by the Trustee from confirmation of the plan or the date to which a proof of claim is filed, whichever is later. If no interest rate is so specified no interest shall accrue or be paid under the reorganization plan. The monthly payments and interest rates applicable to a particular claim, if applicable, are set forth in the attached Schedules.

**9. The Trustee's Claims Adjudication or Preliminary Notice of Infeasibility after the Trustee's Recommendation Concerning Claims:** As noted below, the Trustee has made a preliminary determination that the terms of the confirmed Chapter 13 Plan are either feasible or infeasible. The Trustee is providing this information to the parties in interest for informational purposes only and is not seeking, through this TRCC, a judicial finding that the plan is in fact feasible or not feasible. That issue will be determined later. **If a party in interest disagrees with these preliminary findings, an objection to the TRCC is not necessary.** If the Trustee determines that the confirmed Chapter 13 Plan is in fact infeasible, the Debtor(s) must address this infeasibility of the Plan **within forty-five (45) days** of the entry of the Order approving this TRCC. In the event the infeasibility of the Plan is not timely addressed by the Debtor(s), the Trustee or other interested party may file a motion to dismiss the Debtor(s)' bankruptcy case based upon this infeasibility.

Trustee's Certification that all Claims have been properly adjudicated: The Trustee hereby certifies that at the present time, upon the approval of this TRCC, all proof of claims filed in the above-referenced case have been reconciled with the terms of the confirmed Chapter 13 Plan without the necessity of a plan modification.

Wherefore, the Trustee requests this Court to approve this Trustee's Recommendation Concerning Claims as such may be amended to the extent applicable by (1) any claim objection order; (2) any valuation order; or (3) any order on collateral securing an allowed claim provided for in the confirmed plan that is subject to 11 U.S.C. 506 bifurcation; or any amended proof(s) of claim filed herein pertaining to an allowed claim provided for in the confirmed plan. The Trustee further requests this Court to disallow any claims as objected to under Schedule X as herein noted for the reasons as stated therein. Finally, the Trustee requests an Order that the Trustee is prohibited from paying any all late-filed claim(s) filed subsequent to the filing of the Trustee's Recommendation Concerning Claims without an express order of the Court.

Please note that the secured portion of the claim as paid herein has been reduced by the amount of adequate payments, if any, as set forth in this Schedule paid in advance of other claims.

If applicable, the confirmed Chapter 13 Plan provides for the payment of certain claims secured by personal property which are subject to 11 U.S.C. 506 bifurcation ("cram down" claims herein). Accordingly, the Trustee shall pay such cram down claims in the lesser amount of either the replacement value as determined in the next sentence of this paragraph or the secured claim amount as set forth in the Creditor's Proof of Claim. The "replacement value", as that term is used herein, shall reflect either the amount of the replacement value as set forth in Paragraph 6(A)(ii)(b) of the confirmed Chapter 13 Plan; the agreed replacement value as reflected in an agreement between the Debtor(s) and the Creditor as reflected in the terms of the Confirmation Order; or the replacement value as set by Court Order. **Nothing contained herein shall constitute the setting of replacement value of the underlying collateral absent such an agreement or Court order if the replacement value in the confirmed Chapter 13 plan differs from the secured value as set forth in the underlying claim.** Accordingly, the Trustee shall pay such cram down claims, if any, in the amount as set forth below with interest, if any, at the monthly payment as set forth below. Please note that the secured portion of the claim as paid herein has been reduced by the amount of adequate protection payments, if any, as set forth in this Schedule that were paid in advance of other claims. To the extent said claims exceed the value of the collateral securing said claims, such claims are set forth below and classified as "General Unsecured" to be paid in the same manner as the other general secured claims as set forth in Schedule VI.

Any Court Order entered subsequent to the filing of this TRCC that sets replacement value of the collateral, to the extent applicable, shall constitute an amendment of these Recommendations and the Trustee shall pay the lower of this established replacement value of the collateral or the total amount of the claim.

To the extent applicable, the Trustee objects to the claim(s) below, if any, for one of the following reasons: the creditor(s)' claim(s) were filed after the Claims' Bar Dates without authority from the Court to file such claim(s); claim(s) filed by debtor(s) on behalf of creditor(s) were filed beyond thirty (30) days after the Claims' Bar Dates as authorized in Bankruptcy Rule 3004 without an express order of the Court authorizing such claim(s); claim(s) were filed in the wrong case; and claim(s) were filed as a duplicate to another claim filed in this case. **Unless one of these reasons are applicable, the Trustee is not objecting to the claims but is simply setting forth in this TRCC how the claim shall be paid or not paid, if applicable, under the terms of the confirmed Chapter 13 Plan.**
